

Refrigeration • Air Conditioning • Heating • Stainless & Sheet Metal Fabrication

Limited \$25.00 Off Your First Repair!

Dear Friend,

It would be our honor to add you to our long list of satisfied clients!

I wanted to prove it with more than just words, so the next time your system breaks down, just print a copy this letter out and present it to your technician and he will deduct \$25.00 off your repair for any first time client (excludes service call).

This is a limited time offer which I can only offer for a short time subject to availability.

Our services include: Air Conditioning, Heating, Custom Sheet Metal & Stainless Fabrication, Door Gaskets & Hardware, and Refrigeration.

Again, when you call for service just present a print out of this letter and poof!...\$25.00 off your bill ... Just our thanks!

Looking forward to hearing from you,

Joe Johnson
President
Rebel Refrigeration
