Sir;

In a day and age when companies are out to only make a buck, regardless of customer feelings, it's a pleasure to work with a company like yours where customer satisfaction is uppermost.

Our service technician Brad, surprised us when the owner of the company told him to say there was no charge for his visit. I hope we don't have any future problems, but nothing last forever, in any case we will be calling Rebel. I hope Brad is still with you, he represents your company well.

Thank you for the courtesy you extended us. I will also be telling our friends of your company.

Respectfully,
Norman
